1. Getting Started

Prepare

- Navigate to [<http://www.cloudtestify.jp/front/trial/trialpage.html>]
- Ensure that your JSON or CSV files are ready for upload..

2. Features

- **One-Click Execution:** Run tests with a single click.
- **Comprehensive Reports:** Generate functional, performance, and security test reports.
- **Email Notifications:** Receive reports directly in your inbox.

3. Step-by-Step Instructions

Executing Tests

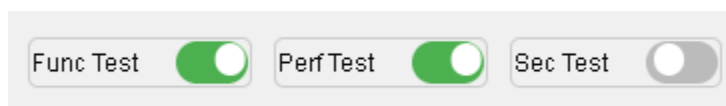

1. Upload Your File:

- Click on the "Upload" button and select your JSON or CSV file.

2. Select Test Types:

- Enable or disable the test types you do not need (Functional, Performance, Security).

3. Execute Tests:

- Click the "One-Click Execute" button to start the process.

One-Click Execute

4. Send Email

- Enter your email address as needed.

Ready to Execute Start.....

Report Receiving Email

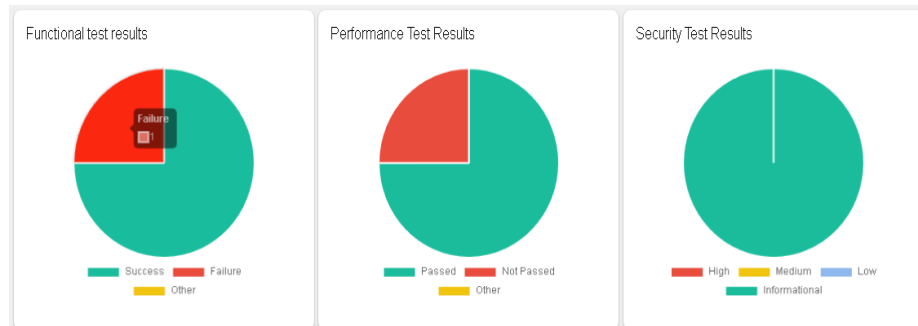

Notification

Estimated time: 1-3 minutes. Please do not close or refresh the page.

Cancel Confirm

5. View Or Receive Reports:

- After execution, the reports will be generated and sent to your registered email.
-

Functional Test Report Preview					View Report
URL	Total Requests	Failed	Success Rate	Average Time	
/api/login	2	1	50.00%	1063 ms	
/api/users/2	1	0	100.00%	1347 ms	
/api/login	2	1	50.00%	1063 ms	
/api/users?page=2	1	0	100.00%	816 ms	

Performance Test Report Preview (Single Thread)								View Report
transaction	SampleCount	errorCount	errorPct	avgTime(ms)	throughput	received(KB/s)	sent(KB/s)	
/api/login	2	1	50.00	1178.00	1.40	1.71	0.32	
/api/users?page=2	1	0	0.00	926.00	1.08	2.03	0.18

4. Troubleshooting

Common Issues

- **Issue:** File upload fails.
 - **Solution:** Ensure the file format is correct (JSON or CSV) and that it meets size limitations.
- **Issue:** Execution Timeout
 - **Solution:** Reduce the number of interfaces or temporarily disable a specific test type.
- **Issue:** Reports not received.
 - **Solution:** Check your spam folder or verify your email address in the account settings.

5. FAQs

- **Q: What file formats are supported?**
 - A: We support JSON and CSV file formats.
- **Q: How long does it take to receive the reports?**
 - A: Reports are typically sent within a few minutes after test execution.
- **Q: Do you have plans for new features?**
 - A: Yes, we are actively developing new features. Stay tuned!.
- **Q: Your features are very poor, always giving errors, and they can't meet my needs.**
 - A: Thank you for your feedback; we sincerely apologize for the inconvenience this has caused you. We take every user's opinion and feedback very seriously. Please send your specific comments and suggestions to us via email, detailing your thoughts and requirements. We ask for a little time, and we will do our utmost to develop features that meet your needs..
- **Q: What is your goal?**
 - A: Our goal is to achieve full automation of the API process to minimize your manual testing time and enhance your work efficiency..
